ABOUT US

Julian Charles Katz: Managing Director of Top Turf

Jules was born in London and started his sports career working as a sports producer for BBC Radio 5.

In 2006, Jules went to Senegal and, passionate about football, he founded International Football Aid (I.F.A), a charity that helped educate children from the Ngor region in Dakar. Each year, Jules funded partnership trips for his students in the United Kingdom and in return, the British school sent their students to Senegal.

In 2014, Jules created Newman International, a company specializing in synthetic turf sports products.

During his 6 years at Newman International as Director of Sales, Jules was responsible for:

- ✓ The purchase of 10 FIFA full size football pitches for TP Mazembe in Congo RC.
- ✓ The sale and installation of 2 FIFA full size football pitches for Horoya AC and the sale of 1 FIFA full size football pitch for AS Kaloum, both in Guinea.
- ✓ The sale and installation of 1 FIFA full size football pitch and 1 multisport pitch for the Minister of Sports of Burkina Faso at the Salitas FC centre of excellence in Ouagadougou.
- ✓ The sale of 1 FIFA full football pitch for BE Sport at the Senegal-Japan School in Dakar.

Two synthetic turf football pitches conforming to FIFA standards of 7,875 m² (105m x 75m) with sub layers.

"Jules built two FIFA full size pitches with full sub layers and complete drainage systems for our training center in Dubréka, Guinea.

We are delighted with the excellent work done by Jules and his team.

He is very professional and the lawns and facilities are of a very high standard.

We recommend his services".

Abdoulaye Condé

General Secretary

Centre Sportif Yorokoguia, Horoya AC, Guinea

OUR PARTNERS

Limonta Sport is an Italian synthetic grass supplier.

They are one of only 8 companies in the world who are a FIFA preferred producer.

By acquiring the highest level of accreditation they have supplied and installed and services for some of the biggest football clubs including the synthetic hybrid grass at the Santiago Bernabeau stadium for Real Madrid as well as being a partner for AC Milan and in cooperation with Atletico Madrid and Ajax of Amsterdam.

They have installed over 5,000 synthetic grass systems around the world as well as constructing stadiums, which they can also pre finance.

Top Turf is extremely proud to be an authorised agent and turf installer for Limonta Sport.
